

REMARKS

All the claims listed as rejected in the Office Action's summary page (form PTOL-326) have been deleted herein, leaving only claims 1-16, 21-28, and 32, the claims listed as allowed in that summary. And the one claim objected to on matters of form has been amended as suggested in the Office Action.

Paragraphs 5 of the office action objected to a grammatical error in Claim 15. In response Claim 15 has been amended as suggested in that Paragraph.

Paragraphs 6-9 and 11 relate to rejected Claims 1-16, 21-28, and 32. These claims have been canceled to put this application into condition for allowance.

Paragraph 10's allowance of Claims 1-16, 21-28, and 32 is greatly appreciated.

It is respectfully submitted that with the above amendments all of the remaining claims in this application appear to be patentable over the art of record cited against them, and allowance of this application with these claims is hereby requested.

Respectfully Submitted,

/Edward W. Porter/
